Hi, I'm Christopher, a dedicated computer engineering student with a passion for programming. Seeking an internship opportunity to further enhance my skills and gain hands-on experience in the field. Eager to apply my knowledge to real-world programming challenges and contribute to a dynamic team.

Personal Details

Citizenship: Filipino

Work Experience

Freelance Video Editor

Fiverr - Philippines
September 2022 to Present

Currently working as a freelance video creator on Fiverr, I was able to collaborate with individuals from diverse nationalities and overcoming language barriers. I have experience working with clients from various backgrounds, ensuring effective communication and understanding throughout the project.

Office Assistant

Cortes LGU - Cortes, Bohol
March 2019 to March 2019

During my senior high school internship, I served as an office assistant at a local government organization. I handled document sorting, creation, and printing, ensuring efficient record-keeping and smooth workflows. I developed strong organizational skills, operated office equipment, and gained valuable teamwork experience.
